Dear Potential Patient,

Thank you for contacting Allergy Affiliates to request administration of your allergy injections while in the Bradenton area. We have included patient registration information for you to complete and return. If you have already made an appointment with our office, please write the appointment date and time on the paperwork.

Prior to acceptance of the appointment, we need to review pertinent allergy and medication information. Please ask your allergist to forward the following information to our office well in advance of your appointment:

1. History and Physical
2. Medication Record
3. Recent Progress Notes
4. Immunotherapy Extract Information
 - A. Specific Antigens – If mixes are used, please indicate the contents of the mix.
 - B. Amount and concentration of each antigen incorporated into the vial.
 - C. Injection Records-----date, dose, and concentration.
5. Pulmonary Function Tests
6. Skin Testing Results
7. Demographic Sheet

Please contact our office if you have any further questions.

Sincerely,

Tiffany
